FINISH

INFORMATION FOR RIDERS, SPECTATORS & OFFICIALS

Map below for reference

WARM UP ARENA

Rule F.10.2 Etiquette for the warm-up arena

As there are many horses warming up in a restricted area it is important that all riders have knowledge of the etiquette required in group riding. This ensures safe riding and achieves harmony in busy areas.

- safety is paramount, and a collision should be always avoided
- before entering the warm-up area make sure the gateway and immediate track are clear
- riders should pass left shoulder to left shoulder when on the outside track
- when not on the outside track, e.g., on a diagonal line, riders should give way to horses on their left
- the more progressive gait has priority on the track (e.g., horses trotting should give way to horses cantering)
- a halt should not be on the track
- walking should not be on the track and does not have right of way
- trot has priority over walk
- canter has priority over trot
- lateral work has priority over all paces
- when circling, anticipate your return to the track so that you do not stop the flow of other riders
- mounting, dismounting and gear adjustment should be done off the track
- consideration should be given to behaviour of other horses in the arena that may upset your horse
- it may be necessary to leave the area if your horse is upsetting others
- if a horse is upsetting the majority, an official should be sought with a view to requesting that horse's removal for safety's sake
- be aware of stallions wearing green stallion disc

GEAR CHECK

- Gear check is at the entry of Arena 2 – please allow enough time to walk up to Arena 3 for your test

COMPETITION ARENA ENTRY

- Please be aware that at our show on November 21st we will be following rule 3.7 for arena entry.
- When presenting to the judge before a test, riders do not have to stop and report to the judge but must make sure the judge has clearly seen their Horse Identification Number

- As it is not practical to ride around the outside of the arenas prior to entering, the rider is permitted to enter the arena as soon as the previous rider has exited and before the bell is sounded. After the bell has sounded the new rider starts the test from within the arena.
- If you are unsure, please refer to the Dressage Rules on equestrian.org.au

WARM UP ARENA EXIT

- Horses will exit the large Arena 2 at the exit gate (see map below). There is no horse or pedestrian entry or exit on the roadway at the southern end of the Indoor arena at any time, to prevent distractions to competing horses in the indoor.

Please check with one of our stewards on the day, who are there to help you 😊

GENERAL

- **Spectators** must stay 10 metres away from all arena boundaries, including the indoor.
- **Lunging** – NO lunging in any arena is permitted. Please use the Round Yard behind the Indoor Arena for this purpose or the grassed warmup areas.
- **Dogs** – NO dogs permitted on the property
- **Clean Up** – All manure and hay must be picked up in the Indoor / Outdoor arenas as well as in the float parking area and placed in the trailer and wheelbarrows provided. A cleaning cost will be charged to DCSA if this is not undertaken. Your cooperation with this matter will be greatly appreciated and ensure that we can continue to use these wonderful facilities.
- **Hose** – You are more than welcome to use the hose to RINSE your horse but please do not wash your horse here – please do that at home
- **Children** - May only be left in charge of horses where adult supervision and assistance is immediately on hand.
- **Smoking** – Cromwell Park is a smoke free zone.

***Please take special care pulling out of Cromwell Park if you are turning right – oncoming traffic may not expect slow moving floats.

If in doubt turn left and travel a just few minutes towards Hahndorf, then go around the roundabout and travel safely home – we look forward to seeing everyone!!
